

6-BIKE PARKING RACK AND CHARGING STATION

E-RAS 2.5 A6

CKSPRACKS

TECHNICAL SPECIFICATIONS

E-RAS 2.5 A6

This 230V e-bike parking and charging rack is easy to use and compatible with bikes of all types. Its structure is light and robust. The bike is to be parked in the designated rack.

MATERIALS USED

Anticorodal aluminium structure. Various stainless-steel bolts.

STANDARD (MATTE) COLOURS

Ral 5024 (Air force blue)  Ral 7030 (Urban)  Ral 6021 (Olive)  Ral 6018 (Green)  Ral 7016 (Polished) 

HOW TO INSTALL IT

The rack has 8 holes Ø11 that allow it to be fixed to the ground, using the fixing caps it comes with. Anti-theft caps are available on request. For safety reasons, we recommend that the rack be secured before use.

MAINTENANCE

Despite its exposure to atmospheric conditions, the rack does not require any extraordinary maintenance work, due to the fact that it is made of aluminium and steel components. We recommend covering it in the event that it is not used in winter.

WARRANTY

There is a 2-year warranty on all of the rack's structural parts. Spare parts are available for all components. Ask for prices and availability. The warranty does not cover damage caused by misuse or vandalism. THE WARRANTY IS EX-WORKS "GREEN GARAGE BIKE".

OVERALL SIZE AND WEIGHT

Height 100.5 cm - Width 270 cm - Depth 50 cm - Weight 45 kg.

E-BIKE FEATURES

6 230V ip54 schuko sockets - three 0.03 A residual current circuit breakers, N07V-k single-core cable (PVC, cross sectional area 3mm²) for power connection, FG70NR cable (PVC, cross sectional area 4mm²) connecting the RCCB and the distribution board - WE PROVIDE CERTIFICATES OF FITNESS AND COMPLIANCE. We warrant that all GREEN GARAGE BIKE products are manufactured according to the specifications laid down in the applicable international standards, as detailed in the related technical documentation, catalogues, website, etc. We also warrant that they are fit for their intended use. We also ensure that the products used in our items are in line with the IEC 60900:2004 standard.

CUSTOM GRAPHICS

GREEN GARAGE BIKE offers the possibility of customising the rack with the customer's graphics. Send us a vector file and we will provide you with a quotation for the customisation work.
